

Public Affairs  
Council

**Investing in Your Career:  
Certificate Program Informational Webinar**

# It's a pleasure to join you!

John Kasander  
Program Coordinator

# Today's Agenda

## 1. Why the certificate program?

- Scope and benefit of certificates

## 2. Program overview:

- PAC & Grassroots Management
- Government Relations & Lobbying
- Public Affairs Management

## 3. Details, requirements and Q&A

# Key Takeaways

- A Public Affairs Council certificates will help set you apart and get ahead
- You'll meet professionals you won't meet in other settings, creating networking and career opportunities
- Flexible scheduling means you can fit the program to your schedule
- With no application or enrollment fees, and a la carte program registration, our certificates are a low-cost option for professional education

# Reason to participate: What participants tell us

## To you...

- Grow knowledge, expertise in public affairs
- Make the case to take on more leadership roles and responsibilities
- Build your professional network; be seen as a leader in the public affairs community
- Show current/future employers that you have experience in management and compliance best practices

## To your organization...

- Low-cost means to gain insight into ways to address work challenges and improve programs
- Ensure staff have knowledge of best practices, a handle on current trends and are up-to-date on compliance standards
- Boost organization's reputation
- Build a network you can call upon for future opportunities/challenges

# Program Overview: Nearly 650 participants

- 91 Current Participants
- 1 Graduate

## **Public Affairs Management**

- 176 Current participants
- 6 Graduates

# Program Overview: Tailored to your needs

## PAC & Grassroots Management

- **Focus:**  
Mid-level public affairs professionals
- **Goal:**  
Strengthen understanding of and expertise in political action committees or grassroots advocacy
- **Specialization:** Must specialize in one area (can complete multiple certificates and earn both specializations)

## Government Relations & Lobbying

- **Focus:**  
Mid-level public affairs professionals
- **Goal:**  
Strengthen expertise in the best practices and strategies needed to influence policy and to be leaders in the government relations field.
- **Specialization:**  
No specialization, but ability to select government relations or lobbying focused coursework

## Public Affairs Management

- **Focus:**  
Current and rising leaders in public affairs
- **Goal:**  
Strengthen knowledge of best practices in public affairs management and enhance expertise in leading an integrated collaborative and strategic public affairs function
- **Specialization:**  
No specialization, but ability to select electives
