

National Tracking Poll #2209006
September 01-02, 2022

Crosstabulation Results

Methodology:

This poll was conducted between September 1-September 2, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table PAC1_1: <i>Do you have a favorable or unfavorable opinion of the following? Major companies</i>	12
2	Table PAC1_2: <i>Do you have a favorable or unfavorable opinion of the following? Small businesses</i>	16
3	Table PAC1_3: <i>Do you have a favorable or unfavorable opinion of the following? The federal government</i>	20
4	Table PAC1_4: <i>Do you have a favorable or unfavorable opinion of the following? Your state government</i>	24
5	Table PAC2: <i>Which of the following comes closest to your view?</i>	28
6	Table PAC3_1: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Banks and other financial institutions</i>	32
7	Table PAC3_2: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Energy companies</i>	36
8	Table PAC3_3: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Large retail companies, both online and traditional stores</i>	40
9	Table PAC3_4: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Manufacturing companies</i>	44
10	Table PAC3_5: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Automobile companies</i>	48
11	Table PAC3_6: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Health insurance companies</i>	52
12	Table PAC3_7: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Food and beverage companies</i>	56
13	Table PAC3_8: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Pharmaceutical companies</i>	60
14	Table PAC3_9: <i>In your view, is there too much, too little, or the right amount of government regulation of the following areas or sectors? Technology companies</i>	64
15	Table PAC4_1: <i>How would you rate the honesty and ethical standards of each of the following? Elected officials in Washington</i>	68
16	Table PAC4_2: <i>How would you rate the honesty and ethical standards of each of the following? People who work for federal government agencies that provide services, administer programs, or otherwise support national priorities</i>	72

17	Table PAC4_3: How would you rate the honesty and ethical standards of each of the following? Elected officials in your state and local government	76
18	Table PAC4_4: How would you rate the honesty and ethical standards of each of the following? CEOs of major companies	80
19	Table PAC4_5: How would you rate the honesty and ethical standards of each of the following? Mid-level managers who work for major companies	84
20	Table PAC4_6: How would you rate the honesty and ethical standards of each of the following? Employees of major companies who are not part of management	88
21	Table PAC4_7: How would you rate the honesty and ethical standards of each of the following? Small business owners	92
22	Table PAC5: In general, how much trust and confidence do you have in major companies to behave ethically?	96
23	Table PAC6_1: In your view, are the following types of major companies generally more trust- worthy or less trustworthy than other major companies? Banks and other financial institutions	99

28	Table PAC6_6: In your view, are the following types of major companies generally more trust- worthy or less trustworthy than other major companies? Health insurance companies	119
29	Table PAC6_7: In your view, are the following types of major companies generally more trust- worthy or less trustworthy than other major companies? Food and beverage companies	123
30	Table PAC6_8: In your view, are the following types of major companies generally more trust- worthy or less trustworthy than other major companies? Pharmaceutical companies	127
31	Table PAC6_9: In your view, are the following types of major companies generally more trust- worthy or less trustworthy than other major companies? Technology companies	131
32	Table PAC7: How serious a problem, if at all, do you think racism is in this country?	135
33	Table PAC8: Do you feel America, as a society, is becoming more racist, less racist, or neither?	138
34	Table PAC9: Are major companies in the United States currently playing a positive role, cur- rently playing a negative role or not making any difference currently in reducing racism?	141

35 **Table PAC10:** *If major companies were to take steps to prevent racism, would that give you a more favorable or less favorable opinion toward them or make no difference in how you feel about major companies?* 145

36 **Table PAC11:** *When major companies make public statements pledging to address racism, do you view those statements to be sincere or insincere?* 149

37 **Table PAC12_1:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Candidate political campaigns* 152

38 **Table PAC12_2:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Political groups such as super PACs* 156

39 **Table PAC12_3:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Trade and professional associations* 160

40 **Table PAC12_4:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? The news media* 164

41 **Table PAC12_5:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Social media* 168

42 **Table PAC12_6:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Businesses* 172

43 **Table PAC12_7:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Liberal groups* 176

44 **Table PAC12_8:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Conservative groups* 180

45 **Table PAC12_9:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Friends and family* 184

46 **Table PAC12_10:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Republican Party* 188

47 **Table PAC12_11:** *Here is a list of people and organizations that may communicate political news and messages. How much do you trust political information you hear from these sources? Democratic Party* 192

48	Table PAC13_1: Do you think major companies are doing a good job or not doing a good job in the following areas? Serving their stockholders	196
49	Table PAC13_2: Do you think major companies are doing a good job or not doing a good job in the following areas? Creating jobs	200
50	Table PAC13_3: Do you think major companies are doing a good job or not doing a good job in the following areas? Paying their employees fairly	204
51	Table PAC13_4: Do you think major companies are doing a good job or not doing a good job in the following areas? Paying their top executives fairly, without overpaying them	208
52	Table PAC13_5: Do you think major companies are doing a good job or not doing a good job in the following areas? Protecting the environment	212
53	Table PAC13_6: Do you think major companies are doing a good job or not doing a good job in the following areas? Serving their customers	216
54	Table PAC13_7: Do you think major companies are doing a good job or not doing a good job in the following areas? Contributing time and money to support their local communities	220
55	Table PAC13_8: Do you think major companies are doing a good job or not doing a good job in the following areas? Providing useful products and services	224
56	Table PAC14_1: What level of funding for political campaigns should come from the following sources? Contributions from individual citizens	228
57	Table PAC14_2: What level of funding for political campaigns should come from the following sources? The candidates spending their own money	232
58	Table PAC14_3: What level of funding for political campaigns should come from the following sources? Using federal tax dollars	236
59	Table PAC14_4: What level of funding for political campaigns should come from the following sources? Contributions from political action committees	240
60	Table PAC14_5: What level of funding for political campaigns should come from the following sources? Contributions from super PACs	244
61	Table PAC15: In your opinion, how would you rate the Biden administration on creating a strong business environment?	248
62	Table PAC16_1: In your opinion, do the following elements of America’s democratic system support freedom for its citizens, or not? The right to vote	251
63	Table PAC16_2: In your opinion, do the following elements of America’s democratic system support freedom for its citizens, or not? Laws apply equally to all citizens	255
64	Table PAC16_3: In your opinion, do the following elements of America’s democratic system support freedom for its citizens, or not? Supreme Court justices are nominated by the president and confirmed by the Senate	259

65 **Table PAC16_4:** *In your opinion, do the following elements of America’s democratic system support freedom for its citizens, or not? There are no term limits for members of the U.S. Senate or House of Representatives* 263

66 **Table PAC16_5:** *In your opinion, do the following elements of America’s democratic system support freedom for its citizens, or not? The President is elected through the Electoral College rather than through a direct, popular vote* 267

67 **Table PAC17_1:** *In your opinion, do the following elements of America’s democratic system support justice for its citizens, or not? The right to vote* 271

68 **Table PAC17_2:** *In your opinion, do the following elements of America’s democratic system support justice for its citizens, or not? Laws apply equally to all citizens* 275

69 **Table PAC17_3:** *In your opinion, do the following elements of America’s democratic system support justice for its citizens, or not? Supreme Court justices are nominated by the president and confirmed by the Senate* 279

70 **Table PAC17_4:** *In your opinion, do the following elements of America’s democratic system support justice for its citizens, or not? There are no term limits for members of the U.S. Senate or House of Representatives* 283

71 **Table PAC17_5:** *In your opinion, do the following elements of America’s democratic system support justice for its citizens, or not? The President is elected through the Electoral College rather than through a direct, popular vote* 287

72 **Table PAC18_1:** *Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Politicians use their power and influence to make money for themselves or family members while in office.* 291

73 **Table PAC18_2:** *Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Politicians use their connections to get high-paying jobs after they leave office.* 295

74 **Table PAC18_3:** *Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Politicians are more concerned about being re-elected than about making the best decisions.* 299

75 **Table PAC18_4:** *Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Good people don’t want to go into politics.* 303

76 **Table PAC18_5:** *Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Politicians are so partisan that nothing gets accomplished.* 307

77	Table PAC18_6: <i>Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? The news media doesn't focus on the most important issues.</i>	311
78	Table PAC18_7: <i>Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? There are too many people and groups lobbying to defend their interests or causes.</i>	315
79	Table PAC18_8: <i>Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Companies, nonprofits and unions may support candidates through employee or member political action committees (PACs), which may make contributions up to \$5,000 per candidate.</i>	319
80	Table PAC18_9: <i>Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Individuals and groups may spend unlimited amounts of money through super PACs to support or oppose candidates as long as their efforts are not coordinated with campaigns.</i>	323
81	Table PAC18_10: <i>Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works? Politicians spend too much of their time raising money for their next election.</i>	327

Table PAC18_10: Below are statements some have made about the U.S. political system. In your view, are the following factors a major problem, minor problem or not a problem with the way the U.S. political system in Washington, D.C., works?
Politicians spend too much of their time raising money for their next election.

Demographic	A major problem		A minor problem		Not a problem		Don't know / No opinion		Total N
Adults	58%	(1292)	19%	(415)	8%	(169)	15%	(334)	2210
Voted in 2014: Yes	66%	(803)	19%	(234)	7%	(81)	8%	(93)	1210
Voted in 2014: No	49%	(489)	18%	(181)	9%	(88)	24%	(241)	1000
4-Region: Northeast	59%	(225)	18%	(69)	7%	(25)	16%	(63)	383
4-Region: Midwest	60%	(276)	20%	(92)	7%	(33)	12%	(56)	456
4-Region: South	55%	(463)	20%	(166)	9%	(74)	17%	(142)	844
4-Region: West	62%	(328)	17%	(88)	7%	(37)	14%	(73)	527

Note: Row proportions may total to larger than one-hundred percent due to rounding. For more information visit MorningConsultIntelligence.com.
