Random Name Picker

Trusted platform for unbiased drawings

Looking for a random name picker for contests and giveaways which is globally trusted by many thousands of companies worldwide?

Three easy steps of your drawing

Sign up and try our drawings for free. There are a few easy steps to randomly choose winners:

- Create a drawing project ([name, prizes, drawing details](#))
- Put [entrants](#) into Random Picker
- Conduct a drawing. Or you can make several tests before.

Random Picker generates an online public record which declares a proper drawing process. You can publish its link on your website so all entrants can check their participation in the draw. Nobody can get the whole list of entrants, the system provides a unique way of project transparency.
