**ALI ROJO
SANTOS**

SENIOR MANAGER, EU
ALLIANCE
DEVELOPMENT AT
AMGEN

Ali is a Senior Manager - EU Alliance Development at Amgen, supporting the EU Government Affairs team's efforts by connecting and aligning Amgen's work to the needs of a wide range of stakeholders in Brussels – from patient groups to think tanks.

Having worked for seven years in EU and UK health policy, Ali is a staunch believer in the importance of forging strong relationships and investing time in understanding the needs of different stakeholders – beyond just policymakers but also your “usual suspects”.

Prior to working at Amgen, Ali was an Associate Director at one of Brussel's leading consultancies. She started her career in the public administration, working at the Spanish Embassy in the UK around Brexit-related matters immediately after the referendum.

Ali holds a bachelor's degree from King's College London, where she specialised in policy analysis and comparative politics, and a master's degree in Political Communications.

FiscalNote EU Issue Tracker

Monitor the EU Policy Landscape with EU Issue Tracker

EU Issue Tracker's team of Brussels-based policy analysts help you not only monitor, but act on changes in EU policy. We capture the latest developments and future timelines of all EU dossiers and monitor, catalogue, and assess their implications. Acting as a force multiplier, EU Issue Tracker takes a systematic approach to policy intelligence and analysis. By removing the manual work typically involved in policy monitoring, EU Issue Tracker saves you time and puts the information that matters in front of you with a comprehensive solution that includes:

Collation:

We combine human intelligence and technology to help you identify risks and opportunities stemming from EU policy initiatives.

Customisation:

You control what is put in front of you by selecting specific dossiers of interest, and we'll send you timely alerts on procedural developments.

Expert Analysis:

Our dedicated team of 20+ analysts deliver concise, information-rich summaries, with direct lines for any support you need.

Our Approach:

- ✓ We combine human intelligence and technology to help you navigate EU policy at an institutional level — including legislative and non-legislative files, secondary legislation, and possible future regulatory measures.
- ✓ Our policy radar identifies future regulatory risks and policy initiatives before they become formal proposals. Early monitoring enables you to mitigate exposure to new and peripheral policy concerns.
- ✓ Identify new developments coming out of the Commission, Council, Parliament, and other EU agencies. Detailed timelines lay out each dossier's procedure step-by-step, with an additional layer of human analysis to help you make sense of it all.
- ✓ Clear, concise updates are sent to you directly, keeping you informed on any developments you need to be made aware of — without cluttering your inbox. Any time you see an e-mail from EU Issue Tracker, you know it is important.
- ✓ Access to our policy analysts and account management team ensures you are continually supported and set up for success.
