Unique Branding Opportunities for This Conference

Standing Gadget Charging Station

Help keep attendees connected at the conference. Sponsorship includes a standing charging station for attendees to charge their devices with electrical outlets provided by the Council. Your company logo will be included on a Council designed wall display on the area shown in the example photo. Sponsors are also welcome to provide items to enhance the area provided that they do not block the chargers.

Morning Fitness

Help start the conference day off on the right foot by sponsoring two morning fitness options -- an early morning yoga class and a run/walk group. Participants can sign-up for a morning yoga class (up to 30 participants per day) which will be led by a professional yoga instructor. Or they can choose to run or walk with their fellow industry peers to network and make new friends along the way. Both events will take place rain or shine on the mornings of February 3 and 4 before breakfast. Weather permitting, yoga will be held beachside. A cooling workout towel with your logo will be provided to all participants. Attendee participation is optional.

Wi-Fi

Your company will have the opportunity to customize the password that attendees will enter to access the conference Wi-Fi. Signage on tables (where possible) as well as PowerPoint slides will advertise your logo and the Wi-Fi information.

Professional Headshots

Make attendees smile as the professional headshot sponsor for the conference. A photographer will be on-site to provide attendees with an opportunity to update their professional photo the afternoon of February 3. Signage near the headshot station will be provided to advertise your sponsorship.

Mobile App

As the official sponsor of the conference mobile app, your company will be prominently recognized with a banner ad that will link to your conference website. Attendees will have access to the app before, during and after the conference. Your company will also be featured in one push notification sent via the app recognizing your sponsorship.

Snacks and Dessert in the Exhibit Hall

The Council will provide snacks and/or dessert at an afternoon break during the conference. Your company logo will be displayed on napkins during the break.
