Policy-Making in the Institutions

Defining the context – What is “the European level?”

The European Union

- 27 Member States. Population: 450 million
- 24 Official Languages
- € Zone: 20 Member States + 6 non-EU
- Schengen Area: 25 EU Member States + EFTA (Iceland, Norway, Liechtenstein, Switzerland)

SWEDEN JOINS NATO CLUB

Sweden has officially become the Western military alliance's 32nd member. That leaves only four EU member countries now out of the club — Ireland, Malta, Austria and Cyprus.

*Iceland has not officially withdrawn its EU application, but in 2015 its government requested that "Iceland should not be regarded as a candidate country for EU membership."
