

National Tracking Poll #2603232
March 26-28, 2026

Crosstabulation Results

Methodology:

This poll was conducted between March 26-March 28, 2026 among a sample of 2202 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, region, gender by age, and race by educational attainment. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table PAC1: <i>Compared to a year ago, do you think the country is headed in a better direction, a worse direction, or is it about the same?</i>	5
2	Table PAC2: <i>Overall, do you approve or disapprove of the way Donald Trump has handled his job as president during his first year of his second term in office?</i>	7
3	Table PAC3_1: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — The economy overall</i>	9
4	Table PAC3_2: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — Immigration and border security</i>	11
5	Table PAC3_3: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — Foreign policy and national security</i>	13
6	Table PAC3_4: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — Healthcare</i>	15
7	Table PAC3_5: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — Technology and AI</i>	17
8	Table PAC3_6: <i>How would you rate the job the Trump Administration has done in each of the following areas during his first year in office? — Jobs / Job growth</i>	19
9	Table PAC4: <i>Have you seen or heard about any businesses publicly responding to federal policy changes over the past year?</i>	21
10	Table PAC5: <i>Overall, do you believe businesses have been supportive, critical, or neutral toward the Trump Administration’s major policy initiatives?</i>	23
11	Table PAC6: <i>How would you rate the speed at which businesses have responded to major federal policy changes during the first year of President Trump’s second administration, if at all?</i>	25
12	Table PAC7_1: <i>Overall, would you say that businesses have been supportive or critical of each of the following? — Immigration enforcement operations</i>	27
13	Table PAC7_2: <i>Overall, would you say that businesses have been supportive or critical of each of the following? — Tariffs</i>	29
14	Table PAC7_3: <i>Overall, would you say that businesses have been supportive or critical of each of the following? — Climate policies</i>	31
15	Table PAC7_4: <i>Overall, would you say that businesses have been supportive or critical of each of the following? — Social / Cultural workplace policies</i>	33
16	Table PAC7_5: <i>Overall, would you say that businesses have been supportive or critical of each of the following? — Foreign conflicts</i>	35
17	Table PAC8_1: <i>Do you believe businesses have spoken out too much, too little, or the right amount on each of the following? — Immigration enforcement operations</i>	37

18	Table PAC8_2: Do you believe businesses have spoken out too much, too little, or the right amount on each of the following? — Tariffs	39
19	Table PAC8_3: Do you believe businesses have spoken out too much, too little, or the right amount on each of the following? — Climate policies	41
20	Table PAC8_4: Do you believe businesses have spoken out too much, too little, or the right amount on each of the following? — Social / Cultural workplace policies	43
21	Table PAC8_5: Do you believe businesses have spoken out too much, too little, or the right amount on each of the following? — Foreign conflicts	45
22	Table PAC9: In your opinion, have businesses been motivated more by economic interests or by social values in their response to immigration enforcement?	47
23	Table PAC10_1: How clearly, if at all, do you believe businesses have communicated how tariffs impact each of the following? — Consumers	49
24	Table PAC10_2: How clearly, if at all, do you believe businesses have communicated how tariffs impact each of the following? — Workers	51
25	Table PAC10_3: How clearly, if at all, do you believe businesses have communicated how tariffs impact each of the following? — Businesses themselves	53
26	Table PAC11: Do you believe most major companies have maintained their previous climate commitments despite federal policy changes?	55
27	Table PAC12: Do you believe businesses should maintain their previous climate commitments despite federal policy changes?	57
28	Table PAC13: Do you believe the federal government should be able to require businesses to change their social/ cultural workplace policies?	59
29	Table PAC14: Do you think doing business globally has gotten easier or harder given recent U.S. foreign policy?	61
30	Table PAC15_1: Do you think the U.S. and Israel attacks on Iran help or hurt each of the following? — Large U.S. corporations	63
31	Table PAC15_2: Do you think the U.S. and Israel attacks on Iran help or hurt each of the following? — Small businesses	65
32	Table PAC15_3: Do you think the U.S. and Israel attacks on Iran help or hurt each of the following? — Americans	67
33	Table PAC15_4: Do you think the U.S. and Israel attacks on Iran help or hurt each of the following? — The U.S. economy	69
34	Table PAC16: How much do you trust, if at all, businesses to act in the public’s best interest during major political changes?	71
35	Table PAC17: Do you believe businesses have too much, too little, or the right amount of influence over federal policy?	73

36	Table PAC18: <i>When businesses publicly disagree with federal policy, do you view that as:</i> . . .	75
37	Table PAC19: <i>When businesses publicly disagree with federal policy, do you view that as:</i> . . .	77
38	Table PAC20: <i>Which of the following comes closest to your opinion, even if none are exactly right?</i>	79
39	Table PAC21: <i>Which issue do you believe businesses should prioritize responding to most?</i> . .	82
40	Summary Statistics of Survey Respondent Demographics	84

Crosstabulation Results by Respondent Demographics
