Our global presence

O-I's Public Affairs Organization

*Joint report to each region

O-I Public Affairs Role

- Government Affairs:
 - Advance O-I interests on legislative and regulatory initiatives
 - Support footprint, new business and COGS initiatives
 - Risk management/intelligence
 - Respond to customer requests
- Engage with internal and external constituencies (in collaboration with Communications)
- Third party engagement (trade association and NGOs) in addition to traditional advocacy
- Community engagement
- Political Action Committee (U.S.)
- Support corporate messaging
