YOUR VOTE COULD CHANGE THE DIRECTION OF THE COUNTRY

It is critical to be informed and vote for candidates that support small business. NFIB's SAFE Trust PACs endorsed the following candidates and ballot proposals because they are willing to stand up for America's small business owners, thereby protecting the families, employees and communities that depend on them.

STATE BALLOT INITIATIVE

Vote "NO"

Initiated Measure 23

South Dakota's "right to work" law does not allow unions to collect dues from all workers as a condition of employment. IM 23 would allow unions to charge non-members a fee for services like collective bargaining.
