

We are pleased to inform you that PayPal ran a “matching gifts” program in conjunction with our Political Action Committee (PAC) in 2016. The PayPal Political Action Committee (PAC) Charitable Matching Program is a benefit of being a contributor to PayPal’s PAC. For every dollar that an employee contributed to PayPal PAC in 2016, the company matched that amount to the charity of their choice that is eligible under the PayPal Gives Charitable Contributions Policy.

XXXXXX selected your organization to receive a charitable donation based on XXXXX participation with the PayPal PAC.

Congratulations and best wishes.
