

Our Voice. Our Company. Our Future.

ENPAC allows us to stand together as a single voice in support of candidates for elected office who will create a positive political environment for Entergy and the energy industry

ENGAGE

Our PAC works by consistently **engaging** with elected officials and regulators.

EDUCATE

We **educate** them on the important impact their political decisions will have on our industry, our business and our customers.

SUPPORT

Our PAC plays a significant role in shaping our future as we **support** the election of candidates carefully selected by our state and federal PAC committees.

Business, Not Politics

Our PAC is bipartisan. We select which candidates to support based on their ability to champion legislation that will have a positive impact on the energy industry, our future and our company. **We do not choose candidates based on their political affiliation or platform.**

ENPAC Give\$Back

All Eligible Entergy employees who make the decision to support ENPAC via payroll deduction or at the President's Club level will have a portion of **their annual contribution matched to a non-profit 501(c)(3) charity of their choice.**

ENPAC President's Club

ENPAC President's Club recognizes members who make a deeper commitment to ENPAC. President's Club members receive a higher ENPAC Give\$Back match and are invited to attend special events with ENPAC leaders and public officials.

2014 Cycle Receipts

ENPAC is completely transparent and shares all financial information and objectives through our annual report and ongoing employee outreach.
