MANAGE YOUR WORLD

Mentoring Program

The Council represents more than 10,000 individuals from over 700 member organizations spanning nearly every industry. Our mentoring program, only available to Council members, pairs experienced professionals with those looking to grow in the public affairs field. Mentors are asked to participate for a minimum of one year to ensure that useful, productive relationships are built.

Consider being a mentor if you are:

- Experienced in public affairs
- Interested in broadening your management experience and network
- Excited to share what you know now and wished you knew as a newcomer
- Looking to help advance the future of the public affairs field

Sign up to be a mentee if you are:

- New to the public affairs profession
- Trying to expand your network of trusted contacts
- Looking for ways to build your skills and advance your career
- Seeking practical advice for your everyday work
