

HOW RPAC SAVES YOU MONEY IN 2017

► PRESERVING THE PROPERTY TAX DEDUCTION

If the property tax deduction was eliminated, prices of affected homes would fall by an average of 7%. That reduction in prices translates into a decrease in income of **\$2,500 per REALTOR®**.

► FHA PREMIUM REDUCTION

According to the U.S. Department of Housing and Urban Development estimates, the reduction in FHA premiums by one-half of one percent for new borrowers will lead to 250,000 additional home sales over three years. Over the three year timeframe, the typical REALTOR® would see an increase in income of **\$2,000**, or slightly less than **\$700 each year**.

► LEASEHOLD IMPROVEMENT DEPRECIATION

The 15-year depreciation period for leasehold improvements on commercial real property has been **extended permanently**. Congress had allowed the 15-year depreciation period to lapse in 2015. This important legislation ends the year to year uncertainty of Congressional renewal and, because it has been applied retroactively, prevents commercial property owners from having to use a 39-year depreciation period for all leasehold improvements made in 2015. Creating the certainty of a permanent 15-year depreciation period was a priority issue for NAR.

HOW RPAC SAVES THE INDUSTRY MONEY IN 2017

► **In the industry**, preserving the Mortgage Interest Deduction (MID) saved real estate and related industries **more than \$24,000** per home sale*

► Had MID been eliminated, it would have cost **each REALTOR® member** an **average of \$22,420**.

► The costs for **other industry professionals** would also have been substantial: an average of **\$11,190** per mortgage lender, **\$3,690** per title insurance employee and **\$8,260** per moving and relocation professional.

* Based on an anticipated **15% reduction** in home prices and **33% drop in sales** if MID was eliminated.

RPAC INVESTORS: \$15 AND UP

The National Association of REALTORS® Political Action Committee (RPAC) is one of the strongest advocacy organizations in the nation for one reason: we have the best members. In politics there are players and victims. Investing in RPAC makes us players. Real estate is our profession, and politics is our business.

Investing in RPAC allows us to determine the quality of our future in the industry. Take a moment and imagine our industry without RPAC:

- 1

Do you have the time to read through legislation at the local, state and national levels to determine how it will impact you and your clients?
- 2

Do you have time to lobby lawmakers?
- 3

How would the elimination of the Mortgage Interest Deduction (MID) impact your ability to sell homes?
- 4

What if NAR hadn't worked with lawmakers to push for a 100% health insurance deduction for independent contractors?
- 5

How many homebuyers would be locked out of the market without FHA single family insurance, VA programs or other federal and state programs?

When RPAC supports REALTOR®-friendly candidates, we give them a leg up against legislators who have worked against us in the past. For a legislator to have the support of one of the nation's top PACs, that makes a statement.

More than one-third of the funds NAR receives come from our Major Investors. Major Investors who invest annually are the advocates and political leaders that make up the backbone of RPAC.

PRESIDENT'S CIRCLE

What really sets REALTORS® apart from any other group on Capitol Hill is the President's

Circle program. President's Circle members are RPAC Major Investors who invest an additional \$2,000 directly to candidate and party committees.

Candidates chosen to receive President's Circle funds have met a stringent criteria set by NAR. We call these exceptional legislators REALTOR® Party Champions. NAR calls on President's Circle members to invest in these Champions throughout the year.

In order to fully impact the political and legislative process, these investments must be completed by September 30 of each year. Members also have the option of investing \$500 of their \$2,000 to a party committee on behalf of any Member of Congress. Likewise, NAR Federal Political Coordinators have the option of investing \$500 directly to the Member of Congress they serve.

PACs are limited to \$5,000 annually in candidate contributions. The collective strength of the President's Circle program, which has no such limit, makes us true political players in the nation's capital.
