Thank you for joining a large and growing number of your fellow team members by becoming a member of TargetCitizens PAC.

Thanks to Target team members who contribute to the PAC and are enrolled in the no-cost “You Give, We Give” PAC match program, we made a total of **\$132,856** in charitable donations this year. I am proud to say that, since the “You Give, We Give” PAC match program began in 2010, we have given **over \$756,000** to our charitable partners. This program is another way for our team members be active and engaged citizens in the communities we serve.
